List of documents from the FTC
Their document Docket 9330

Dear Patricia S. Connor:

This is just to inform all parties of a minor discrepancy in the FTC's document list from their docket 9330. The last item, #84, is out of order and should have been between #76 and #77. Someone not familiar with the case, and not noting the date, might in error think the action described happened subsequent to the Commission's rejection on Feb. 11, 2011 of the appeal before them.

DATED this 17th day of May, 2011.

WILLIAM H. ISELY
Appellant, *pro se*
