Docket No. 9408

JOINT STIPULATIONS ON ADMISSIBILITY OF EXHIBITS

Pursuant to Rule 3.21 of the Commission's Rules of Practice, 16. C.F.R. § 3.21, and the Scheduling Order, Complaint Counsel and Respondent Intuit Inc. submit the following Joint Stipulations:

1. Neither party will object to the admissibility of the exhibits listed in Attachment A hereto, subject to the stipulations set forth below.
2. A document need not be admissible, or admitted, to be used solely to impeach.
3. Complaint Counsel and counsel for Respondent reserve their respective rights to object to the use of any of these exhibits for an improper purpose during the presentation of evidence at the hearing.
4. Complaint Counsel and counsel for Respondent reserve their respective rights to argue that any of these exhibits should be given little or no weight.
5. Complaint Counsel and counsel for Respondent have agreed to include certain duplicate or near-duplicate exhibits in Attachment A. The parties agree to continue their discussions about removing certain of those exhibits, particularly lower-quality versions of advertisements when higher-quality versions are also listed in Attachment A.

6. Complaint Counsel and counsel for Respondent have agreed that they can replace exhibits in Attachment A with clearer or more complete versions or depictions of the advertisement or website being portrayed.

7. Complaint Counsel and counsel for Respondent have agreed that the consumer complaints identified in footnotes 1-5 and 7 and Appendix A, as well as one complaint identified on Appendix B, four complaints identified on Appendix E (the same list as footnote 6), and one complaint identified on Appendix F from Intuit's February 10, 2023 Motion *In Limine* to Exclude Evidence of Consumer Complaints have been excluded pursuant to the Court's March 7, 2023 order on motions in limine. Complaint Counsel will prepare redacted versions of GX502, GX503, and GX504 consistent with this stipulation.

8. Respondent preserves its arguments that additional consumer complaints identified in the February 10, 2023 Motion *In Limine* to Exclude Evidence of Consumer Complaints are irrelevant and have been excluded by the Court's March 7, 2023 order, or, at a minimum, that such complaints should be given little or no weight.

9. Respondent preserves the objections raised and arguments made in its motions *in limine* filed on February 10, 2023, which the Court denied in part on March 7, 2023.

In reliance on, and subject to, the stipulations above, the parties agree to move into evidence the exhibits listed in Attachment A. Each party will submit copies of its exhibits in a format acceptable to the Court.

Respectfully submitted,
