You and a guest are cordially invited to attend a 1-hour educational seminar to hear about the latest medical breakthroughs in pain relief.

**You must be over 18 to attend.**

DETAILS

**Find Out if**

# Stem Cell Therapy is Right for You!

**Regenerative medicine  
is now available locally and can effectively  
reduce and even eliminate your pain without  
surgery or addictive medications.**

Regenerative medicine uses stem cells to regenerate and repair tissues in your body that are damaged due to age, disease and defects. Stem cells have the power to go to these damaged areas and generate new cells and rebuild the area.
