The body's anti-oxidative defensive network includes antioxidant enzymes Catalase and Glutathione Peroxidase that efficiently neutralizes hydrogen peroxide when we are young. Grey Defence™ was formulated to re-energize this natural grey hair defence system, reversing grey hair naturally. For maximum results allow 6 to 18 months continuous usage. Grey Defence is most effective for those who started greying after age 28.

Recommended Use: As a dietary supplement. Take 1 capsule in the morning on an empty stomach. Wait 45 minutes before consuming solid meal.

CAUTION: Do not exceed recommended dose. Pregnant or nursing mothers, children under 18 and individuals with a known medical condition should consult a physician before using this or any dietary supplement.

Keep out of reach of children. Do not use if the safety seal is damaged or missing. Store in a cool dry place.

Do not take with multivitamins containing more than 200mcg selenium daily dosage. Formulated for greying due to hydrogen peroxide build up only.
