**BERKLEY
JENSEN**
Aspirin

**Pain Reliever
Fever Reducer**

Water-soluble coating for
easy swallowing

500 Tablets

DO NOT USE IF THE PRINTED SEAL
AROUND THE CAP IS BROKEN OR MISSING.

INDICATIONS: For the temporary relief of headache, pain and fever in cases of cold, flu, sore throat, toothache, neuralgia, rheumatism, and other acute and chronic ailments.

CAUTION: Aspirin should not be used for more than 10 days in an adult unless directed by a doctor. If not, consult your doctor.

ALCOHOL WARNING: If you consume 3 or more alcoholic drinks every day, you may become addicted to alcohol and other pain relievers, including Aspirin, may cause stomach bleeding.

WARNING: Doctors and dentists should tell you the risks of long-term use of the aspirin before a doctor is consulted about fever syndrome, a rare but serious illness reported to be associated with aspirin. Do not use this product for you or your child 10 days or for fever for more than 3 days unless directed by a doctor. It may irritate the stomach lining. If you experience signs of a serious condition, such as stomach pain, loss of appetite, or a change in stool, or if you are pregnant or nursing a baby, and the advice of a health professional before using the product, it is especially important not to use Aspirin.

DURING THE LAST 3 MONTHS OF PREGNANCY UNLESS SPECIFICALLY DIRECTED TO DO SO BY A DOCTOR BECAUSE IT MAY CAUSE PROBLEMS IN THE BIRTH OF CHILD OR COMPLICATED DELIVERY.

Keep the child and other out of the reach of children. In case of accidental overdose, contact a health professional immediately.

DO NOT TAKE WITH OTHER ASPIRIN-CONTAINING PRODUCTS.
