25 existence or value of any asset. Defendant relinquishes to the FTC all right and
26 claim he may have, if any, to the assets of all other entities placed into permanent
27 receivership by the Court in the Preliminary Injunction Order.

1 B. The suspended portion of the judgment shall be subject to the conditions
2 set forth in Section IV.C of this Order.

3 C. The Commission's agreement to this Order is expressly premised upon
4 the truthfulness, accuracy, and completeness of the sworn individual financial
5 disclosure statement dated March 3, 2006 and declaration executed March 8, 2006,
6 provided to the Commission by Defendant. These documents contain material
7 information upon which the Commission has relied in negotiating and agreeing to

9 failed to disclose any material asset or materially misstated the value of any asset in
10 the financial documents described above, or has made any other material
11 misstatement or omission in the financial documents described above, the court shall
12 execute the order attached as *Appendix A* imposing the full suspended monetary
13 judgment set forth in subsection A above against Defendant, make an express
14 determination that there is no just reason for delay in the entry of the judgment and
15 provide that the judgment shall be immediately due and payable. Interest on the
16 judgment executed in *Appendix A* shall be computed at the rate prescribed under 28
17 U.S.C. § 1969, as amended, which shall be due from the date of entry of this Order,
18 and Plaintiff shall be permitted to execute upon the judgment immediately and
19 engage in discovery in aid of execution.

20 D. In accordance with 31 U.S.C. § 7701, Defendant is hereby required,
21 unless he has done so already, to furnish to the Commission his social security

24 reporting on any amount that may be owing by any of those Defendants.

25 E. Defendant is further required, unless he has done so already, to provide
26 the Commission with clear, legible and full-size photocopies of all valid driver's

28 F. Defendant agrees that the facts as alleged in the First Amended

SCANNED

1 Complaint filed in this action shall be taken as true in any subsequent litigation filed
2 by the Commission to enforce its rights pursuant to this Order, including, but not
3 limited to, a non-dischargeability complaint filed in any bankruptcy proceeding.

4 G. Proceedings instituted under this Paragraph are in addition to, and not in
5 lieu of, any other civil or criminal remedies that may be provided by law, including
6 any other proceedings the Commission may initiate to enforce this Order.

7 H. The non-suspended judgment set forth herein may be used by the FTC
8 and the Receiver for the purpose of taking all necessary or appropriate post-judgment
9 collection steps, including but not limited to obtaining and levying writs of execution
10 and creating, perfecting, and enforcing judgment liens on any real or personal
11 property of Defendant. The Clerk of the Court is hereby directed to accept this Order
12 and the non-suspended judgment set forth herein for the purpose of issuing writs of
13 execution, abstracts of judgment and any other post-judgment process at the request
14 of the FTC or the Receiver.

15
16 **V.
Commission's Use of Monetary Judgment**

17 IT IS FURTHER ORDERED that all funds paid to the Commission or its
18 agent pursuant to Section IV of this Order may be deposited into a fund administered
19 by the Commission or its agent to be used for equitable relief, including but not
20 limited to consumer redress and any attendant expenses for the administration of any
21 redress fund. In the event that direct redress to consumers is wholly or partially
22 impracticable or that funds remain after redress is completed, the Commission may
23 apply any remaining funds for such other equitable relief (including consumer
24 information remedies) as it determines to be reasonably related to the practices
25 alleged in the First Amended Complaint. Any funds not used for such equitable
26 relief shall be deposited to the United States Treasury as disgorgement. Defendant

CHAPTER I -- FEDERAL TRADE COMMISSION
SUBCHAPTER C -- REGULATIONS UNDER SPECIFIC ACTS OF CONGRESS
PART 310 -- TELEMARKETING SALES RULE

SCANNED

§ 310.1 Scope of regulations in this part.

This part implements the Telemarketing and Consumer Fraud and Abuse Prevention Act, *15 U.S.C. 6101-6108*, as amended.

HISTORY: [60 FR 43842, 43864, Aug. 23, 1995; 68 FR 4580, 4669, Jan. 29, 2003]

AUTHORITY: AUTHORITY NOTE APPLICABLE TO ENTIRE PART: *15 U.S.C. 6101-6108*.

NOTES: [EFFECTIVE DATE NOTE: 68 FR 4580, 4669, Jan. 29, 2003, revised Part 310, effective Mar. 31, 2003.]

§ 310.2 Definitions.

(a) Acquirer means a business organization, financial institution, or an agent of a business organization or financial institution that has authority from an organization that operates or licenses a credit card system to authorize merchants to accept, transmit, or process payment by credit card through the credit card system for money, goods or services, or anything else of value.

(b) Attorney General means the chief legal officer of a state.

(c) Billing information means any data that enables any person to access a customer's or donor's account, such as a credit card, checking, savings, share or similar account, utility bill, mortgage loan account, or debit card.

(d) Caller identification service means a service that allows a telephone subscriber to have the telephone number, and, where available, name of the calling party transmitted contemporaneously with the telephone call, and displayed on a device in or connected to the subscriber's telephone.

(e) Cardholder means a person to whom a credit card is issued or who is authorized to use a credit card on behalf of or in addition to the person to whom the credit card is issued.

(f) Charitable contribution means any donation or gift of money or any other thing of value.

(g) Commission means the Federal Trade Commission.

(h) Credit means the right granted by a creditor to a debtor to defer payment of debt or to incur debt and defer its payment.

(i) Credit card means any card, plate, coupon book, or other credit device existing for the purpose of obtaining money, property, labor, or services on credit.

(j) Credit card sales draft means any record or evidence of a credit card transaction.

(k) Credit card system means any method or procedure used to process credit card transactions involving credit cards issued or licensed by the operator of that system.

(l) Customer means any person who is or may be required to pay for goods or services offered through telemarketing.

(m) Donor means any person solicited to make a charitable contribution.

(n) Established business relationship means a relationship between a seller and a consumer based on:

(1) the consumer's purchase, rental, or lease of the seller's goods or services or a financial transaction between the consumer and seller, within the eighteen (18) months immediately preceding the date of a telemarketing call; or

(2) the consumer's inquiry or application regarding a product or service offered by the seller, within the three (3) months immediately preceding the date of a telemarketing call.

(o) Free-to-pay conversion means, in an offer or agreement to sell or provide any goods or services, a provision under which a customer receives a product or service for free for an initial period and will incur an obligation to pay for the product or service if he or she does not take affirmative action to cancel before the end of that period.

(p) Investment opportunity means anything, tangible or intangible, that is offered, offered for sale, sold, or traded based wholly or in part on representations, either express or implied, about past, present, or future income, profit, or appreciation.

(q) Material means likely to affect a person's choice of, or conduct regarding, goods or services or a charitable contribution.

(r) Merchant means a person who is authorized under a written contract with an acquirer to honor or accept credit cards, or to transmit or process for payment credit card payments, for the purchase of goods or services or a charitable contribution.

(s) Merchant agreement means a written contract between a merchant and an acquirer to honor or accept credit cards, or to transmit or process for payment credit card payments, for the purchase of goods or services or a charitable contribution.

(t) Negative option feature means, in an offer or agreement to sell or provide any goods or services, a provision under which the customer's silence or failure to take an affirmative action to reject goods or services or to cancel the agreement is interpreted by the seller as acceptance of the offer.

(u) Outbound telephone call means a telephone call initiated by a telemarketer to induce the purchase of goods or services or to solicit a charitable contribution.

(v) Person means any individual, group, unincorporated association, limited or general partnership, corporation, or other business entity.

(w) Preacquired account information means any information that enables a seller or telemarketer to cause a charge to be placed against a customer's or donor's account without obtaining the account number directly from the customer or donor during the telemarketing transaction pursuant to which the account will be charged.

(x) Prize means anything offered, or purportedly offered, and given, or purportedly given, to a person by chance. For purposes of this definition, chance exists if a person is guaranteed to receive an item and, at the time of the offer or purported offer, the telemarketer does not identify the specific item that the person will receive.

(y) Prize promotion means:

(1) A sweepstakes or other game of chance; or

(2) An oral or written express or implied representation that a person has won, has been selected to receive, or may be eligible to receive a prize or purported prize.

(z) Seller means any person who, in connection with a telemarketing transaction, provides, offers to provide, or arranges for others to provide goods or services to the customer in exchange for consideration.

(aa) State means any state of the United States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, and any territory or possession of the United States.

(bb) Telemarketer means any person who, in connection with telemarketing, initiates or receives telephone calls to or from a customer or donor.

(cc) Telemarketing means a plan, program, or campaign which is conducted to induce the purchase of goods or services or a charitable contribution, by use of one or more telephones and which involves more than one interstate telephone call. The term does not include the solicitation of sales through the mailing of a catalog which contains a written description or illustration of the goods or services offered for sale; includes the business address of the seller; includes multiple pages of written material or illustrations; and has been issued not less frequently than once a year, when the person making the solicitation does not solicit customers by telephone but only receives calls initiated by customers in response to the catalog and during those calls takes orders only without further solicitation. For purposes of the previous sentence, the term "further solicitation" does not include providing the customer with information about, or attempting to sell, any other item included in the same catalog which prompted the customer's call or in a substantially similar catalog.

(dd) Upselling means soliciting the purchase of goods or services following an initial transaction during a single telephone call. The upsell is a separate telemarketing transaction, not a continuation of the initial transaction. An "external upsell" is a solicitation made by or on behalf of a seller different from the seller in the initial transaction, regardless of whether the initial transaction and the subsequent solicitation are made by the same telemarketer. An "internal upsell" is a solicitation made by or on behalf of the same seller as in the initial transaction, regardless of whether the initial transaction and subsequent solicitation are made by the same telemarketer.

§ 310.3 Deceptive telemarketing acts or practices.

(a) Prohibited deceptive telemarketing acts or practices. It is a deceptive telemarketing act or practice and a violation of this Rule for any seller or telemarketer to engage in the following conduct:

(1) Before a customer pays n1 for goods or services offered, failing to disclose truthfully, in a clear and conspicuous manner, the following material information:

n1 When a seller or telemarketer uses, or directs a customer to use, a courier to transport payment, the seller or telemarketer must make the disclosures required by § 310.3(a)(1) before sending a courier to pick up payment or authorization for payment, or directing a customer to have a courier pick up payment or authorization for payment.

(i) The total costs to purchase, receive, or use, and the quantity of, any goods or services that are the subject of the sales offer; n2

n2 For offers of consumer credit products subject to the Truth in Lending Act, 15 U.S.C. 1601 et seq., and Regulation Z, 12 CFR 226, compliance with the disclosure requirements under the Truth in Lending Act and Regulation Z shall constitute compliance with § 310.3(a)(1)(i) of this Rule.

(ii) All material restrictions, limitations, or conditions to purchase, receive, or use the goods or services that are the subject of the sales offer;

(iii) If the seller has a policy of not making refunds, cancellations, exchanges, or repurchases, a statement informing the customer that this is the seller's policy; or, if the seller or telemarketer makes a representation about a refund, cancellation, exchange, or repurchase policy, a statement of all material terms and conditions of such policy;

(iv) In any prize promotion, the odds of being able to receive the prize, and, if the odds are not calculable in advance, the factors used in calculating the odds; that no purchase or payment is required to win a prize or to participate in a prize promotion and that any purchase or payment will not increase the person's chances of winning; and the no-purchase or payment method of participating in the prize promotion with either instructions on how to participate or an address or local or toll-free telephone number to which customers may write or call for information on how to participate;

(v) All material costs or conditions to receive or redeem a prize that is the subject of the prize promotion;

(vi) In the sale of any goods or services represented to protect, insure, or otherwise limit a customer's liability in the event of unauthorized use of the customer's credit card, the limits on a cardholder's liability for unauthorized use of a credit card pursuant to 15 U.S.C. 1643; and

(vii) If the offer includes a negative option feature, all material terms and conditions of the negative option feature, including, but not limited to, the fact that the customer's account will be charged unless the customer takes an affirmative action to avoid the charge(s), the date(s) the charge(s) will be submitted for payment, and the specific steps the customer must take to avoid the charge(s).

(2) Misrepresenting, directly or by implication, in the sale of goods or services any of the following material information:

(i) The total costs to purchase, receive, or use, and the quantity of, any goods or services that are the subject of a sales offer;

(ii) Any material restriction, limitation, or condition to purchase, receive, or use goods or services that are the subject of a sales offer;

(iii) Any material aspect of the performance, efficacy, nature, or central characteristics of goods or services that are the subject of a sales offer;

(iv) Any material aspect of the nature or terms of the seller's refund, cancellation, exchange, or repurchase policies;

(v) Any material aspect of a prize promotion including, but not limited to, the odds of being able to receive a prize, the nature or value of a prize, or that a purchase or payment is required to win a prize or to participate in a prize promotion;

(vi) Any material aspect of an investment opportunity including, but not limited to, risk, liquidity, earnings potential, or profitability;

(vii) A seller's or telemarketer's affiliation with, or endorsement or sponsorship by, any person or government entity;

(viii) That any customer needs offered goods or services to provide protections a customer already has pursuant to 15 U.S.C. 1643; or

(ix) Any material aspect of a negative option feature including, but not limited to, the fact that the customer's account will be charged unless the customer takes an affirmative action to avoid the charge(s), the date(s) the charge(s) will be submitted for payment, and the specific steps the customer must take to avoid the charge(s).

(3) Causing billing information to be submitted for payment, or collecting or attempting to collect payment for goods or services or a charitable contribution, directly or indirectly, without the customer's or donor's express verifiable authorization, except when the method of payment used is a credit card subject to protections of the Truth in Lending Act and Regulation Z, n3 or a debit card subject to the protections of the Electronic Fund Transfer Act and Regulation E. n4 Such authorization shall be deemed verifiable if any of the following means is employed:

n3 Truth in Lending Act, 15 U.S.C. 1601 et seq., and Regulation Z, 12 CFR part 226.

n4 Electronic Fund Transfer Act, 15 U.S.C. 1693 et seq., and Regulation E, 12 CFR part 205.

(i) Express written authorization by the customer or donor, which includes the customer's or donor's signature; n5

n5 For purposes of this Rule, the term "signature" shall include an electronic or digital form of signature, to the extent that such form of signature is recognized as a valid signature under applicable federal law or state contract law.

(ii) Express oral authorization which is audio-recorded and made available upon request to the customer or donor, and the customer's or donor's bank or other billing entity, and which evidences clearly both the customer's or donor's authorization of payment for the goods or services or charitable contribution that are the subject of the telemarketing transaction and the customer's or donor's receipt of all of the following information:

(A) The number of debits, charges, or payments (if more than one);

(B) The date(s) the debit(s), charge(s), or payment(s) will be submitted for payment;

(C) The amount(s) of the debit(s), charge(s), or payment(s);

(D) The customer's or donor's name;

(E) The customer's or donor's billing information, identified with sufficient specificity such that the customer or donor understands what account will be used to collect payment for the goods or services or charitable contribution that are the subject of the telemarketing transaction;

(F) A telephone number for customer or donor inquiry that is answered during normal business hours; and

(G) The date of the customer's or donor's oral authorization; or

(iii) Written confirmation of the transaction, identified in a clear and conspicuous manner as such on the outside of the envelope, sent to the customer or donor via first class mail prior to the submission for payment of the customer's or donor's billing information, and that includes all of the information contained in § 310.3(a)(3)(ii)(A)-(G) and a clear and conspicuous statement of the procedures by which the customer or donor can obtain a refund from the seller or telemarketer or charitable organization in the event the confirmation is inaccurate; provided, however, that this means of authorization shall not be deemed verifiable in instances in which goods or services are offered in a transaction involving a free-to-pay conversion and preacquired account information.

(4) Making a false or misleading statement to induce any person to pay for goods or services or to induce a charitable contribution.

(b) Assisting and facilitating. It is a deceptive telemarketing act or practice and a violation of this Rule for a person to provide substantial assistance or support to any seller or telemarketer when that person knows or consciously avoids knowing that the seller or telemarketer is engaged in any act or practice that violates § 310.3(a), (c) or (d), or § 310.4 of this Rule.

(c) Credit card laundering. Except as expressly permitted by the applicable credit card system, it is a deceptive telemarketing act or practice and a violation of this Rule for:

(1) A merchant to present to or deposit into, or cause another to present to or deposit into, the credit card system for payment, a credit card sales draft generated by a telemarketing transaction that is not the result of a telemarketing credit card transaction between the cardholder and the merchant;

(2) Any person to employ, solicit, or otherwise cause a merchant, or an employee, representative, or agent of the merchant, to present to or deposit into the credit card system for payment, a credit card sales draft generated by a telemarketing transaction that is not the result of a telemarketing credit card transaction between the cardholder and the merchant; or

(3) Any person to obtain access to the credit card system through the use of a business relationship or an affiliation with a merchant, when such access is not authorized by the merchant agreement or the applicable credit card system.

(d) Prohibited deceptive acts or practices in the solicitation of charitable contributions. It is a fraudulent charitable solicitation, a deceptive telemarketing act or practice, and a violation of this Rule for any telemarketer soliciting charitable contributions to misrepresent, directly or by implication, any of the following material information:

(1) The nature, purpose, or mission of any entity on behalf of which a charitable contribution is being requested;

(2) That any charitable contribution is tax deductible in whole or in part;

(3) The purpose for which any charitable contribution will be used;

(4) The percentage or amount of any charitable contribution that will go to a charitable organization or to any particular charitable program;

(5) Any material aspect of a prize promotion including, but not limited to: the odds of being able to receive a prize; the nature or value of a prize; or that a charitable contribution is required to win a prize or to participate in a prize promotion; or

(6) A charitable organization's or telemarketer's affiliation with, or endorsement or sponsorship by, any person or government entity.

§ 310.4 Abusive telemarketing acts or practices.

(a) Abusive conduct generally. It is an abusive telemarketing act or practice and a violation of this Rule for any seller or telemarketer to engage in the following conduct:

(1) Threats, intimidation, or the use of profane or obscene language;

(2) Requesting or receiving payment of any fee or consideration for goods or services represented to remove derogatory information from, or improve, a person's credit history, credit record, or credit rating until:

(i) The time frame in which the seller has represented all of the goods or services will be provided to that person has expired; and

(ii) The seller has provided the person with documentation in the form of a consumer report from a consumer reporting agency demonstrating that the promised results have been achieved, such report having been issued more than six months after the results were achieved. Nothing in this Rule should be construed to affect the requirement in the Fair Credit Reporting Act, 15 U.S.C. 1681, that a consumer report may only be obtained for a specified permissible purpose;

(3) Requesting or receiving payment of any fee or consideration from a person for goods or services represented to recover or otherwise assist in the return of money or any other item of value paid for by, or promised to, that person in a previous telemarketing transaction, until seven (7) business days after such money or other item is delivered to that person. This provision shall not apply to goods or services provided to a person by a licensed attorney;

(4) Requesting or receiving payment of any fee or consideration in advance of obtaining a loan or other extension of credit when the seller or telemarketer has guaranteed or represented a high likelihood of success in obtaining or arranging a loan or other extension of credit for a person;

(5) Disclosing or receiving, for consideration, unencrypted consumer account numbers for use in telemarketing; provided, however, that this paragraph shall not apply to the disclosure or receipt of a customer's or donor's billing information to process a payment for goods or services or a charitable contribution pursuant to a transaction;

(6) Causing billing information to be submitted for payment, directly or indirectly, without the express informed consent of the customer or donor. In any telemarketing transaction, the seller or telemarketer must obtain the express informed consent of the customer or donor to be charged for the goods or services or charitable contribution and to be charged using the identified account. In any telemarketing transaction involving preacquired account information, the requirements in paragraphs (a)(6)(i) through (ii) of this section must be met to evidence express informed consent.

(i) In any telemarketing transaction involving preacquired account information and a free-to-pay conversion feature, the seller or telemarketer must:

(A) obtain from the customer, at a minimum, the last four (4) digits of the account number to be charged;

(B) obtain from the customer his or her express agreement to be charged for the goods or services and to be charged using the account number pursuant to paragraph (a)(6)(i)(A) of this section; and,

(C) make and maintain an audio recording of the entire telemarketing transaction.

(ii) In any other telemarketing transaction involving preacquired account information not described in paragraph (a)(6)(i) of this section, the seller or telemarketer must:

(A) at a minimum, identify the account to be charged with sufficient specificity for the customer or donor to understand what account will be charged; and

(B) obtain from the customer or donor his or her express agreement to be charged for the goods or services and to be charged using the account number identified pursuant to paragraph (a)(6)(ii)(A) of this section; or

(7) Failing to transmit or cause to be transmitted the telephone number, and, when made available by the telemarketer's carrier, the name of the telemarketer, to any caller identification service in use by a recipient of a telemarketing call; provided that it shall not be a violation to substitute (for the name and phone number used in, or billed for, making the call) the name of the seller or charitable organization on behalf of which a telemarketing call is placed, and the seller's or charitable organization's customer or donor service telephone number, which is answered during regular business hours.

(b) Pattern of calls. (1) It is an abusive telemarketing act or practice and a violation of this Rule for a telemarketer to engage in, or for a seller to cause a telemarketer to engage in, the following conduct:

(i) Causing any telephone to ring, or engaging any person in telephone conversation, repeatedly or continuously with intent to annoy, abuse, or harass any person at the called number;

(ii) Denying or interfering in any way, directly or indirectly, with a person's right to be placed on any registry of names and/or telephone numbers of persons who do not wish to receive outbound telephone calls established to comply with § 310.4(b)(1)(iii);

(iii) Initiating any outbound telephone call to a person when:

(A) that person previously has stated that he or she does not wish to receive an outbound telephone call made by or on behalf of the seller whose goods or services are being offered or made on behalf of the charitable organization for which a charitable contribution is being solicited; or

(B) that person's telephone number is on the "do-not-call" registry, maintained by the Commission, of persons who do not wish to receive outbound telephone calls to induce the purchase of goods or services unless the seller

(i) has obtained the express agreement, in writing, of such person to place calls to that person. Such written agreement shall clearly evidence such person's authorization that calls made by or on behalf of a specific party may be placed to that person, and shall include the telephone number to which the calls may be placed and the signature n6 of that person; or

n6 For purposes of this Rule, the term "signature" shall include an electronic or digital form of signature, to the extent that such form of signature is recognized as a valid signature under applicable federal law or state contract law.

(ii) has an established business relationship with such person, and that person has not stated that he or she does not wish to receive outbound telephone calls under paragraph (b)(1)(iii)(A) of this section; or

(iv) Abandoning any outbound telephone call. An outbound telephone call is "abandoned" under this section if a person answers it and the telemarketer does not connect the call to a sales representative within two (2) seconds of the person's completed greeting.

(2) It is an abusive telemarketing act or practice and a violation of this Rule for any person to sell, rent, lease, purchase, or use any list established to comply with § 310.4(b)(1)(iii)(A), or maintained by the Commission pursuant to § 310.4(b)(1)(iii)(B), for any purpose except compliance with the provisions of this Rule or otherwise to prevent telephone calls to telephone numbers on such lists.

(3) A seller or telemarketer will not be liable for violating § 310.4(b)(1)(i) and (ii) if it can demonstrate that, as part of the seller's or telemarketer's routine business practice:

(i) It has established and implemented written procedures to comply with § 310.4(b)(1)(ii) and (iii);

(ii) It has trained its personnel, and any entity assisting in its compliance, in the procedures established pursuant to § 310.4(b)(3)(i);

(iii) The seller, or a telemarketer or another person acting on behalf of the seller or charitable organization, has maintained and recorded a list of telephone numbers the seller or charitable organization may not contact, in compliance with § 310.4(b)(1)(iii)(A);

(iv) The seller or a telemarketer uses a process to prevent telemarketing to any telephone number on any list established pursuant to § 310.4(b)(3)(iii) or 310.4(b)(1)(iii)(B), employing a version of the "do-not-call" registry obtained from the Commission no more than thirty-one (31) days prior to the date any call is made, and maintains records documenting this process;

(v) The seller or a telemarketer or another person acting on behalf of the seller or charitable organization, monitors and enforces compliance with the procedures established pursuant to § 310.4(b)(3)(i); and

(vi) Any subsequent call otherwise violating § 310.4(b)(1)(ii) or (iii) is the result of error.

(4) A seller or telemarketer will not be liable for violating 310.4(b)(1)(iv) if:

(i) the seller or telemarketer employs technology that ensures abandonment of no more than three (3) percent of all calls answered by a person, measured per day per calling campaign;

(ii) the seller or telemarketer, for each telemarketing call placed, allows the telephone to ring for at least fifteen (15) seconds or four (4) rings before disconnecting an unanswered call;

(iii) whenever a sales representative is not available to speak with the person answering the call within two (2) seconds after the person's completed greeting, the seller or telemarketer promptly plays a recorded message that states the name and telephone number of the seller on whose behalf the call was placed; and

n7 This provision does not affect any seller's or telemarketer's obligation to comply with relevant state and federal laws, including but not limited to the TCPA, 47 U.S.C. 227, and 47 CFR part 64.1200.

(iv) the seller or telemarketer, in accordance with § 310.5(b)-(d), retains records establishing compliance with § 310.4(b)(4)(i)-(iii).

(c) Calling time restrictions. Without the prior consent of a person, it is an abusive telemarketing act or practice and a violation of this Rule for a telemarketer to engage in outbound telephone calls to a person's residence at any time other than between 8:00 a.m. and 9:00 p.m. local time at the called person's location.

(d) Required oral disclosures in the sale of goods or services. It is an abusive telemarketing act or practice and a violation of this Rule for a telemarketer in an outbound telephone call or internal or external upsell to induce the purchase of goods or services to fail to disclose truthfully, promptly, and in a clear and conspicuous manner to the person receiving the call, the following information:

(1) The identity of the seller;

(2) That the purpose of the call is to sell goods or services;

(3) The nature of the goods or services; and

(4) That no purchase or payment is necessary to be able to win a prize or participate in a prize promotion if a prize promotion is offered and that any purchase or payment will not increase the person's chances of winning. This disclosure must be made before or in conjunction with the description of the prize to the person called. If requested by that person, the telemarketer must disclose the no-purchase o-payment entry method for the prize promotion; provided, however, that, in any internal upsell for the sale of goods or services, the seller or telemarketer must provide the disclosures listed in this section only to the extent that the information in the upsell differs from the disclosures provided in the initial telemarketing transaction.

(e) Required oral disclosures in charitable solicitations. It is an abusive telemarketing act or practice and a violation of this Rule for a telemarketer, in an outbound telephone call to induce a charitable contribution, to fail to disclose truthfully, promptly, and in a clear and conspicuous manner to the person receiving the call, the following information:

(1) The identity of the charitable organization on behalf of which the request is being made; and

(2) That the purpose of the call is to solicit a charitable contribution.

§ 310.5 Recordkeeping requirements.

RECEIVED

(a) Any seller or telemarketer shall keep, for a period of 24 months from the date the record is produced, the following records relating to its telemarketing activities:

(1) All substantially different advertising, brochures, telemarketing scripts, and promotional materials;

(2) The name and last known address of each prize recipient and the prize awarded for prizes that are represented, directly or by implication, to have a value of \$ 25.00 or more;

(3) The name and last known address of each customer, the goods or services purchased, the date such goods or services were shipped or provided, and the amount paid by the customer for the goods or services; n8

n8 For offers of consumer credit products subject to the Truth in Lending Act, 15 U.S.C. 1601 et seq., and Regulation Z, 12 CFR 226, compliance with the recordkeeping requirements under the Truth in Lending Act, and Regulation Z, shall constitute compliance with § 310.5(a)(3) of this Rule.

(4) The name, any fictitious name used, the last known home address and telephone number, and the job title(s) for all current and former employees directly involved in telephone sales or solicitations; provided, however, that if the seller or telemarketer permits fictitious names to be used by employees, each fictitious name must be traceable to only one specific employee; and

(b) A seller or telemarketer may keep the records required by § 310.5(a) in any form, and in the same manner, format, or place as they keep such records in the ordinary course of business. Failure to keep all records required by § 310.5(a) shall be a violation of this Rule.

(c) The seller and the telemarketer calling on behalf of the seller may, by written agreement, allocate responsibility between themselves for the recordkeeping required by this Section. If the agreement is unclear as to who must maintain any required record(s), or if no such agreement exists, the seller shall be responsible for complying with §§ 310.5(a)(1)-(3) and (5); the telemarketer shall be responsible for complying with § 310.5(a)(4).

§ 310.8 Fee for access to the National Do Not Call Registry.

(a) It is a violation of this Rule for any seller to initiate, or cause any telemarketer to initiate, an outbound telephone call to any person whose telephone number is within a given area code unless such seller, either directly or through another person, first has paid the annual fee, required by § 310.8(c), for access to telephone numbers within that area code that are included in the National Do Not Call Registry maintained by the Commission under § 310.4(b)(1)(iii)(B); provided, however, that such payment is not necessary if the seller initiates, or causes a telemarketer to initiate, calls solely to persons pursuant to § 310.4(b)(1)(iii)(B)(i) or (ii), and the seller does not access the National Do Not Call Registry for any other purpose.

(b) It is a violation of this Rule for any telemarketer, on behalf of any seller, to initiate an outbound telephone call to any person whose telephone number is within a given area code unless that seller, either directly or through another person, first has paid the annual fee, required by § 310.8(c), for access to the telephone numbers within that area code that are included in the National Do Not Call Registry; provided, however, that such payment is not necessary if the seller initiates, or causes a

telemarketer to initiate, calls solely to persons pursuant to § 310.4(b)(1)(iii)(B)(i) or (ii), and the seller does not access the National Do Not Call Registry for any other purpose.

(c) The annual fee, which must be paid by any person prior to obtaining access to the National Do Not Call Registry, is \$ 62 per area code of data accessed, up to a maximum of \$ 17,050; provided, however, that there shall be no charge for the first five area codes of data accessed by any person, and provided further, that there shall be no charge to any person engaging in or causing others to engage in outbound telephone calls to consumers and who is accessing the National Do Not Call Registry without being required under this Rule, 47 CFR 64.1200, or any other Federal law. Any person accessing the National Do Not Call Registry may not participate in any arrangement to share the cost of accessing the registry, including any arrangement with any telemarketer or service provider to divide the costs to access the registry among various clients of that telemarketer or service provider.

(d) After a person, either directly or through another person, pays the fees set forth in § 310.8(c), the person will be provided a unique account number which will allow that person to access the registry data for the selected area codes at any time for twelve months following the first day of the month in which the person paid the fee ("the annual period"). To obtain access to additional area codes of data during the first six months of the annual period, the person must first pay \$ 62 for each additional area code of data not initially selected. To obtain access to additional area codes of data during the second six months of the annual period, the person must first pay \$ 31 for each additional area code of data not initially selected. The payment of the additional fee will permit the person to access the additional area codes of data for the remainder of the annual period.

(e) Access to the National Do Not Call Registry is limited to telemarketers, sellers, others engaged in or causing others to engage in telephone calls to consumers, service providers acting on behalf of such persons, and any government agency that has law enforcement authority. Prior to accessing the National Do Not Call Registry, a person must provide the identifying information required by the operator of the registry to collect the fee, and must certify, under penalty of law, that the person is accessing the registry solely to comply with the provisions of this Rule or to otherwise prevent telephone calls to telephone numbers on the registry. If the person is accessing the registry on behalf of sellers, that person also must identify each of the sellers on whose behalf it is accessing the registry, must provide each seller's unique account number for access to the national registry, and must certify, under penalty of law, that the sellers will be using the information gathered from the registry solely to comply with the provisions of this Rule or otherwise to prevent telephone calls to telephone numbers on the registry.
