Re: Vonage Holdings Corp.

Dear Ms. Kirby:

As you know, the Commission has conducted an investigation of your client, Vonage Holding Corp., involving its possible violation of the Federal Trade Commission Act in its advertising and marketing of voice over Internet services.

Upon further review of this matter, it now appears that no further action is warranted by the Commission at this time. Accordingly, the investigation has been closed. This action is not to be construed as a determination that a violation may not have occurred, just as the pendency of an investigation should not be construed as a determination that a violation has occurred. The Commission reserves the right to take such further action as the public interest may require.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert G. Schoshinski".
