COMPLAINT

The Federal Trade Commission (“FTC”), having reason to believe that ReadyTech Corporation, a corporation, has violated the Federal Trade Commission Act (“FTC Act”), and it appearing to the Commission that this proceeding is in the public interest, alleges:

1. Respondent ReadyTech Corporation is a California corporation with its principal office or place of business at 2201 Broadway, Suite 725, Oakland, CA 94612.
2. Respondent provides online and instructor-led training.
3. The acts and practices of Respondent as alleged in this complaint have been in or affecting commerce, as “commerce” is defined in Section 4 of the FTC Act.
4. Respondent has set forth on its website, <https://www.readytech.com/policies/privacy-policy/>, privacy policies and statements about its practices, including statements related to its participation in the EU-U.S. Privacy Shield framework agreed upon by the U.S. government and the European Commission.

Privacy Shield

5. The EU-U.S. Privacy Shield framework (“Privacy Shield”) was designed by the U.S. Department of Commerce (“Commerce”) and the European Commission to provide a mechanism for U.S. companies to transfer personal data outside of the EU that is consistent with the requirements of the European Union Directive on Data Protection. Enacted in 1995, the Directive sets forth EU requirements for privacy and the protection of personal data. Among other things, it requires EU Member States to implement legislation that prohibits the

transfer of personal data outside the EU, with exceptions, unless the European Commission has made a determination that the recipient jurisdiction's laws ensure the protection of such personal data. This determination is referred to commonly as meeting the EU's "adequacy" standard.

6. To satisfy the EU adequacy standard for certain commercial transfers, Commerce and the European Commission negotiated the EU-U.S. Privacy Shield framework, which went into effect in July 2016. The EU-U.S. Privacy Shield framework allows companies to transfer personal data lawfully from the EU to the United States. To join the EU-U.S. Privacy Shield framework, a company must self-certify to Commerce that it complies with the Privacy Shield Principles and related requirements that have been deemed to meet the EU's adequacy standard.
7. Companies under the jurisdiction of the FTC, as well as the U.S. Department of Transportation, are eligible to join the EU-U.S. Privacy Shield framework. A company under the FTC's jurisdiction that claims it has self-certified to the Privacy Shield Principles, but failed to self-certify to Commerce, may be subject to an enforcement action based on the FTC's deception authority under Section 5 of the FTC Act.
8. Commerce maintains a public website, <https://www.privacyshield.gov/welcome>, where it posts the names of companies that have self-certified to the EU-U.S. Privacy Shield framework. The listing of companies, <https://www.privacyshield.gov/list>, indicates whether the company's self-certification is current.
9. Respondent has disseminated or caused to be disseminated privacy policies and statements on the <https://www.readytech.com/policies/privacy-policy/> website, including, but not limited to, the following statements:

Privacy Shield

10. Although Respondent initiated an application to Commerce in October 2016 for Privacy Shield certification, it did not complete the steps necessary to participate in the EU-U.S. Privacy Shield framework.

Count 1-Privacy Misrepresentation

11. As described in Paragraph 9, Respondent represents, directly or indirectly, expressly or by implication, that it is actively in the process of certifying compliance with the EU-U.S. Privacy Shield framework.
12. In fact, as described in Paragraph 10, Respondent is not actively in the process of certifying compliance with the EU-U.S. Privacy Shield framework. Therefore, the representation set forth in Paragraph 11 is false or misleading.

Violations of Section 5 of the FTC Act

13. The acts and practices of Respondent as alleged in this complaint constitute deceptive acts or practices, in or affecting commerce, in violation of Section 5(a) of the Federal Trade Commission Act.

THEREFORE, the Federal Trade Commission this ___ day of ____ 2018, has issued this complaint against Respondent.

By the Commission.
