In the Matter of

BLACKBAUD, INC., a corporation.

DECISION AND ORDER

DOCKET NO.

DECISION

The Federal Trade Commission (“Commission”) initiated an investigation of certain acts and practices of the Respondent named in the caption. The Commission’s Bureau of Consumer Protection (“BCP”) prepared and furnished to Respondent a draft Complaint. BCP proposed to present the draft Complaint to the Commission for its consideration. If issued by the Commission, the draft Complaint would charge the Respondent with violations of the Federal Trade Commission Act.

Respondent and BCP thereafter executed an Agreement Containing Consent Order (“Consent Agreement”). The Consent Agreement includes: (1) statements by Respondents that it neither admits nor denies any of the allegations in the draft Complaint, except as specifically stated in this Decision and Order, and that only for purposes of this action, it admits the facts necessary to establish jurisdiction; and (2) waivers and other provisions as required by the Commission’s Rules.

The Commission considered the matter and determined that it had reason to believe that Respondent has violated the Federal Trade Commission Act, and that a Complaint should issue stating its charges in that respect. The Commission accepted the executed Consent Agreement and placed it on the public record for a period of thirty (30) days for the receipt and consideration of public comments. The Commission duly considered any comments received from interested persons pursuant to Section 2.34 of its Rules, 16 C.F.R. § 2.34. Now, in further conformity with the procedure prescribed in Rule 2.34, the Commission issues its Complaint, makes the following Findings, and issues the following Order. The parties agree that this Order resolves all allegations in the Complaint:

Findings

1. Respondent Blackbaud, Inc. (“Blackbaud”) a Delaware corporation with its principal place of business at 65 Fairchild Street, Charleston, South Carolina 29492.
2. The Commission has jurisdiction over the subject matter of this proceeding and over the Respondent, and the proceeding is in the public interest.

ORDER

The Assessment must be signed by the Assessor, state that the Assessor conducted an independent review of the Information Security Program and did not rely primarily on assertions or attestations by Respondent's management, and state the number of hours that each member of the Assessor's assessment team worked on the Assessment.
